News to Know

Senior Connections participated in the Flatonia Farmer's Market on May 10th to build awareness and recruit new members.

We held a raffle for one of our T-shirts. Mary Kalinec (August Kalinec's wife) won the T-shirt. It was a good day and we met lots of wonderful people.

Many people we met had heard about our organization and had very nice and positive things to say about us. We are blessed to be in this wonderful community.

Garden Poles distributed to our community. We thank them for their continued support!

Lunch & Learn – Monday, May 5 (Schulenburg)

After our Cinco De Mayo meal in Schulenburg, **Kerry Van De Steeg** from Columbus shared his life story for the Senior Spotlight. He enlightened and entertained us with his interesting story. Thank you Kerry and we will miss you, but we know you will be back with many more stories to tell.

Lunch & Learn – Tuesday, May 6 (Weimar)

We had an informative program from **Weimar Chamber of Commerce Executive Director Tiffany Hougardy**.

A recent transplant to the city, she feels she has found a good place to plant roots and call home with her family. She sounds like a big plus for all of Weimar's businesses and events. She has been busy networking with other chambers to make them more cohesive and support each other.

Lunch & Learn – Monday, May 12 (Schulenburg)

PA Abby Adamson and Dr. Mikesky from Dr. Ducichela's office brought their version of Jeopardy for us to play! It was not only fun, but informative. Who knew we were so competitive! In the end, team two, consisting of **Lillian Vanicek, Carolyn Moore, Lee Ehler, and Jim Walker**, beat out the other three teams.

Lunch & Learn – Tuesday, May 13 (Flatonia)

Author, Betsy Wagner, shared her connection to Flatonia and Gonzales and she talked about the history of the town prior to our Gonzales Historic Adventure. She has many stories to tell. You can find some of them in her books. Check it out!

Lunch & Learn – Monday, May 19 (Schulenburg)

After a delicious meal of enchilada casserole from Koopmann Catering, **Craig Moreau** and his lovely assistant, **Lincoln**, dropped by the campus in Schulenburg for our Lunch and Learn presentation. His presentation on Generationalism was very thought-provoking. Sharing the differences in behavior of different generations, he then posed these questions: Which generation would you want to work for, or work for you? Which generation are you from?

Lunch & Learn – Tuesday, May 20 (Weimar)

Thank you, DO Van Houten, for the presentation in Weimar. He practices here, and he distinguished the difference between a DO or DR in medicine.

His is a more holistic practice, treating the whole person, not the problem.

He then explained Diabetes to us in a way I've never heard. He explained at the cellular level what happens to the food we eat and how our body processes it with or without the disease. Thanks!

Lunch & Learn – Monday, May 27 (Flatonia)

Therese Marcak gave an informative talk about a non-profit right here in Flatonia that provides comfort to those who have lost a baby due to miscarriage, abortion, stillbirth or infant death (from conception to 12 months). The building was constructed to be a memorial in honor of them. It is a peaceful and special place to share with others who need comfort in this way. This organization also provides peer counseling for those suffering the loss of a baby.

Annette Jasek spoke with us about her experience with West Nile Virus. She has experienced unfounded falls, a year in a wheelchair, many tests, and much heartache from this nightmare. After the extensive rain we have experienced over the past few weeks, it is imperative to protect yourself and your neighbors by removing any standing water in your yard and using bug spray with DEET. She hopes her talk will prevent anyone else from getting the disease.

Jaime Janda kicked off the month of May for Artful Fridays for us at [ARTS - Arts for Rural Texas](#) in Schulenburg! Students were captivated at the idea of creating a book about themselves. This art journal can use a variety of techniques such as collage, scrapbook, painting, drawing and journaling , and so much more. Participants got excited as they thought about the many materials they have at home they can use to personalize the book.

New students can still join. This course will be continuing in July, and new students are welcome. How do you join? You can call Stephanie at 979-702-1246 or show up. We will meet at the Senior Connections Center at 1111 Bohlmann Ave in Schulenburg from 10-12 on Fridays, with a light lunch after class.

Poem to Share

Don't Quit

John Greenleaf Whittier

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit—
Rest if you must, but don't you quit.

Life is strange with its twists and turns,
As every one of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out;
Don't give up though the pace seems slow—
You may succeed with another blow.

Success is failure turned inside out—
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so far;
So stick to the fight when you're hardest hit—
It's when things seem worst that you must not quit.

Laughing Matters

The Fisherman

Joe packed away his fishing gear in a bad mood because after all day fishing he hadn't caught a thing.

He passed by the fishmonger and asked for a large fish.

The fishmonger said: "What kind?"

"Any kind" Joe replied.

The fishmonger said: "You better take a Snapper because your wife was here earlier and told me if you came by to give you a snapper. That's what she feels like eating tonight."

The Nurse

A man was going frantically down the hall of the hospital in his wheelchair, just before his operation.

A nurse stopped him and asked: "What's the matter?"

He said, "I heard a nurse say, 'It's a very simple operation, don't worry, I'm sure it will be all right.'"

"She was just trying to comfort you, what's so frightening about that?"

"She wasn't talking to me. She was talking to the doctor!"

The Tramp

A gentleman was walking home when a tramp approached him and asked for two dollars.

The gentleman asked: 'For you to buy booze?'

'No, sir' replied the tramp.

The gentleman probed: 'For you to gamble then!'

'No, sir' replied the tramp.

'Then, will you come home with me so my wife can see what happens to a man who doesn't drink or gamble?'
